PROFILE

Media professional with experience in UK and Turkish music-video production since 2020. Combines directing and cinematography with hands-on editing, edit supervision and crew leadership. Contributed to a team output of 400+ music videos in 12 months and led a 15-person visual production crew. Based in Rotterdam and continuing freelance work.

EXPERIENCE

Freelance Director & Video Editor

2025 - Present

Independent

- Continue freelance directing and video editing, combining on-set production experience with post-production expertise.

Music Video Director, Editor & Edit Supervisor

2023 - 2025

Reel Beacon Production / Rapkology | Istanbul, Türkiye

- Helped deliver 400+ music videos as part of a production team within 12 months; directed most projects, served as DoP on selected productions, and handled editing and edit supervision across the wider slate.
- Led a 15-person visual production crew, coordinating schedules, on-set problem-solving and quality control.
- Contributed to creative concepts and artists' visual identities, supporting consistency from production through the final edit.
- Integrated AI-assisted tools into post-production workflows, including rotoscoping and visual effects.

Assistant Music Video Director

2020 - 2023

By Biggz | London, United Kingdom

- Contributed to music-video productions for release on GRM Daily, Mixtape Madness and Pressplay.
- Supported camera operation, lighting and on-set coordination in fast-paced international productions, with involvement from creative development through post-production.

SELECTED WORK

Blok3 x Stefflon Don - Habibi · XİR - İhale · Motive - Dragon · GOKO! - Eva&Mia
